

COVID-19 UPDATE DURING NOVEMBER 2020

Massage

My clinic will be open on a limited basis during November to see clients who have a **'genuine health care need'**. Clients will need to have been referred for treatment by a **'statutory regulated health professional'**. This includes: a GP, physiotherapist osteopath, podiatrist and other medical professionals.

This means that clients who need **'maintenance'** massage will have to wait until the current lockdown finishes on 2nd December.

Craniosacral Therapy

Is being regarded as a health service, and will be offered throughout the current lockdown.

COVID-19 Precautions.

My clinic continues to comply with the rigorous guidelines to minimise the risk of transmission of the virus to my clients, myself and my clinic.
